This agreement is entered into on _____, 20____, by **Solstice Sailing, Inc., DBA Great Lakes Sailing Company ("GLSC")** and (print student name below):

_____ ("**Student**").

RECITALS

- A. GLSC is in the business of providing sailing instructions.
- B. GLSC and Students have entered into a separate agreement for sailing instruction, which is incorporated by reference.
- C. Both GLSC and Student desire to enter into this agreement.

In consideration of the sailing instruction GLSC will provide, Student agrees to release GLSC from all liability from any injury or claim arising out of the sailing instruction. The following examples of Student actions that release GLSC from all liability are used for illustration only and in no way limit the complete release of the liability for any injury or claim arising out of sailing instruction. Student agrees not to:

- 1. Disobey instruction or orders from a GLSC instructor.
- 2. Attend instruction while under the influence of an intoxicating substance; and
- 3. Put other students at risk through his/her reckless or negligent actions.

Student recognizes that sailing presents inherent dangers and releases GLSC (or its successors, assigns, employees, officers, directors, principals and agents) against all claims, demands and actions of any kind (except gross negligence on the part of GLSC) arising out of Students participation in GLSC's sailing instruction.

The laws of the State of Michigan shall control this agreement and any claim against GLSC by Student shall be brought in the appropriate court for Leelanau County.
